WHITE KNIGHT CLUB ACTIVITIES REPORT

Number of students benefited- BBA

YEAR: 2018-19

Purpose of the event:

It is essential for the students of both the streams for application and to get a practical exposure. The idea behind this is to inculcate knowledge and need based work skills so that the graduates of the college find themselves prepared for the employment and self employment avenues as and when required. The following events were conducted: Mock stock exchange, working model of ATM, Fiscal policy, Functions of commercial banks.

Outcomes:

1. The students showed cases their talents by preparing the model, which helped them to know about the share transactions, bidding of shares- buy, sell, short sell , buy back shares, price fluctuations in the market of different companies.
2. Students gained knowledge about the working of ATM by using terminal input and output devices, various service providers, gateways(VISA,MASTER CARD, RuPay)
3. Students got to know about meaning and interpretation of Fiscal policy in India, along with detailed analysis about its working and importance and also difference between Monetary and fiscal policy.
4. Today's world requires the knowledge about the about banking and its functions, this was a beautifully presented with the model presented by students deliberated and discussed in detail regarding lending, borrowing agencies and functions and customer services.

5. Students had an enriching experience in preparing and creating an effective presentation and showed their active participation.
