Discipline Committee Annual Report 2017-18

The College Discipline Committee takes keen interest to maintain discipline and order in and outside college campus during the college working hours. The committee tries its best to inculcate among students, teachers and non teaching staff right moral, social, intellectual attitude to build a college community of integrity and responsibility. It also wants to uphold the academic integrity and good reputation for the college in and outside the College campus.

The Discipline committee has conducted meetings to implement the rules and regulations of the college on a regular basis.

Decisions were taken to handle late comers, to maintain a proper Dress code and to monitor usage of mobile phones within the campus and behavior.

The Discipline committee members inspected the classes without intimation and seized mobile phones which were used during class hours by the students and handed over the phone back by procuring apology letter.

With regard to late comers actions were taken by warning, imposition. Hence the late comers gradually reduced.

The members with the support of all the class teachers implemented SMS alerts to keep a track of the absentees and late comer records of their respective classes.
