IHX's data solutions provide actionable insights for hospitals, payers, diagnostic labs, and enable them to enhance their products

and services by being better informed, agile, reliable, and competitive. At IHX, we are driven by a desire to make healthcare availability, affordability and predictability a reality, and believe that the solutions we develop or enable will have a lasting impact on our society.

In Raman Research Institute (RRI) cadets came to know about CV Raman's Life and research work. Cadets visited library in RRI.

Cadets also visited ISRO Bengaluru they gained more information about Design & Development of communication transponder for Satellites. Cadets interacted with chairman Sri S Somanath . He briefed their work in the following lines " As we know Chandrayaan 1 took record break more than 1.5 lakh photos of the Moon. We made the complete mapping of the moon and found 84 craters. We are the first to discover water in moon. Now latest project Chandrayaan 2 in which rover will land to the moon and the most challenging Chandrayaan 3 for Human Space Programme in which man will land to the moon. As we all know we are world leader in Rocket technology and IT industry, still we are far behind in defence area. Next war will be space war and we will be using Satellites for guiding missiles and anti missiles. We are going to launch RADAR Imaging Satellite which can be used in night also. We have a few spy satellites and also going to launch most advanced spy satellites. If we use both the above technology, we can do miracle. Missiles need rocket technology and processor needs software technology. Satellite based GPS system can be used for space war. Our nation has all technical resources and can lead the world"

Program Outcome: Cadets gained the knowledge about the rich Science and space research, Health network and Military system.

Independence Day(Azadi ka Arit Mavotsav) 2022

On 15th Aug 2022, Independence Day celebration in our college ground started with the National Anthem followed by Flag Hoisting.
