- One day Industrial trip was organized for III year students to **Solar and Wind power plants**, which are situated in Bhavihalu, Davanagere (D), Madakaripura, Chitradurga (D) respectively to learn about generation of electrical energy by converting solar and wind energies on 23-10-2019

- Students were taken to Chikkabidrakalu Government High School as a part of **Extension activity** on 27-01-2020 to guide the students about the future opportunities with respect to Commerce and Management.

DEPARTMENT OF SCIENCE

- Department of physics organized, one day industrial visit on 5th Aug 2019 to “**Jindal Aluminium Limited**” for I year B.Sc. students along with staff members Mr. Srinivasa P R, Mrs. Shaini M.R & Mrs. Sarvamangala M. U.R. Saho, gave the theoretical knowledge about the company, processing of Aluminium and importing of pure Aluminium from different companies for the preparation of different profiles of Aluminium.
- Department of physics organized, visit to science fest “**Vigyan Samagam**” at *Vishweshwaraiyya Museum*, Kasturba road on 14th Aug. 2019 for final year B.Sc. students, where Dr.Shasvath J. Kapadia who is a research fellow from LIGO gave special talk on “**Gravitational waves**” , in this talk, students were introduced to new field of Astrophysics like the motion of stellar bodies, the black holes and binary stars etc.
- Department of Mathematics Organized One day Extension Activities on “Mathematics High School Syllabus” in New Public School, Nelamangala on 18th September 2019. 10 B.Sc Final year students actively took part in the extension activities.
- On 19th of Aug. 2019, again B.Sc. II yr students were taken to *Vishweshwaraiyya Museum*, Kasturba road, Bangalore by department of Physics for a talk on “**Electricity and Magnetism**”, where students not only gained the knowledge of basis of Electricity and Magnetism but also enjoyed the experiments.
- Department of Chemistry organized **Industrial visit to Mylan pharmaceutical** companies on 31st August 2019. Mylan laboratories provided this kind of opportunity to our II and III B.Sc. college students. It was great opportunity to our students to learn about the production of medicine, handling, working environment, employment practices in industries and other facilities offered to its employees.
- Department Of Physics organized one day **industrial trip** for III year students to Solar and Wind power plants on **23rd October 2019**, which is located in Bhavihalu, Davanagere (D), Madakaripura, Chitradurga (D). Students learnt about how human activity is overloading our atmosphere with carbon dioxide and other global warming emissions. Renewable sources like solar energy and wind energy are converted, transferred and utilized for further applications which allow us to replace carbon-intensive energy sources and significantly reduce global warming emissions.
- Department of Mathematics Organized One day Extension Activities on “Mathematics High School Syllabus” in Govt School, chikkabidarakallu on 28th January 2020. 13 B.Sc students actively took part in the event.
- Department Of Chemistry organized **One day Extension activities** in ‘Government High School’, Chikkabidarakallu, Bangalore Rural on **29th January 2020** for BSc students. Our Extensional activity intend in promoting the use of low cost apparatus in classrooms to help students to have hands on learning experience like 3D models to explain the structure of molecules. This extensional activity also aims at teaching science by performing experiments so that students will get practical knowledge to understand the subject in depth and aroused the curiosity and interest towards the science among high school students.
- Department of Physics Organized One day Extension Activities on “**High School Physics Syllabus**” in Govt school School, chikkabidarakallu on 30th January 2020. There are 14 B.Sc students along with Mr. Srinivasa P R and Dr. Saravamangala, actively took part in this activity.
- The Department of Mathematics Organized One Day Mathematics Workshop on the topic “Algebra, Differential Equations & its Applications” on 5th February 2020 for UG students in association with IQAC which basically aims to provide knowledge and advance techniques to both students and teachers of various institutes across the district by resource persons. This particular workshop helped the students to think out of the box and brought clarity in their minds.
- Department Of Chemistry organized one day **WORKSHOP** on “Quantum Mechanics and Material Science” on **11th February 2020** at Jindal College for Women for B.Sc students. Resource person Dr. Ganga

Periyasamy, UGC-Assistant Professor, Bangalore University, Bangalore provided better explanation for students about the following key points which they have studied in their theory classes: Atomic structure of Bohr's Model, Photoelectric effect, Black body radiations etc.

- Department of Physics Organized One day workshop on “**Lustrous Light and Women in science**” on 19th February 2020 in our institution. Smt.Sarmistha Sahu, Retd. Prof of Physics, Coordinator, Ammanni IAPT Anveshika (Wing of NANI, Indian Association of Physics Teachers) Bangalore & Dr. Y C Kamala Associate Professor of Physics National College Basavanagudi Bangalore were the Resource Persons. In the workshop students learnt about Black body radiations, about Stationary and non-stationary states of wave functions, Schrödinger Equation and its application etc.
- Department of Science organized one day visit to the **Indian Institute of Science's “OPEN DAY”** event on **29th February 2020** with I BSc students to enhance the knowledge and awareness of science. The visit has induced more curiosity among students and helps them in understanding the science concepts in detail through experiments. Also they got the information on higher studies and research career.

DEPARTMENT OF LANGUAGES

Anti Ragging Cell Annual Report

The cell briefed out anti ragging guidelines prescribed by UGC on orientation day. The cell collected the undertakings by the students and ensured that they are abided by the rules and regulations of the Cell. Coming

forth semester also through class teachers students were given instruction about the Anti ragging cell provisions. Anti Ragging Committee engage in monitoring places like Class rooms, corridors, and Canteen. It is observed in the academic year 2019-20 there were no such incidents took place till date. Jindal First Grade College for Women has been successful in creating a ragging – free campus.

Anti Sexual Harassment Committee

The Committee issued a circular to everyone that to bring attention in the college about the cell functioning effectively any incidents of sexual harassment if it is found, a complaint of sexual harassment may be lodged by the victim, in writing, addressed to the Coordinator or any member of the Committee. It is observed that no cases of sexual harassment have been happened in college in the academic year 2019-20

Discipline Committee

The College Discipline Committee takes keen interest to maintain discipline and order in and outside college campus during the college working hours. The committee tries its best to inculcate among students, teachers and non teaching staff right moral, social, intellectual attitude to build a college community of integrity and responsibility. It also wants to uphold the academic integrity and good reputation for the college in and outside the College campus. The Discipline committee has conducted meetings to implement the rules and regulations of the college on a regular basis. Decisions were taken to handle late comers, to maintain a proper Dress code and to monitor usage of mobile phones within the campus and behavior With regard to late comers actions were taken by warning, imposition. Hence the late comers gradually reduced.

Student Grievance Redressal Cell :

Rules regarding the decent dress code:

The college has an obligation to create a living and learning environment where all the members of community are comfortable and not offended by inappropriate dress. Strict disciplinary action will be taken against dress code violators. Sleeveless tops, transparent tops are avoided strictly.

Allowance of mobile phones:

As per University Guidelines, JFGCW here has banned students from using mobile phones on campus and classes. Committee members also warned students who brought mobile phones into classes despite strict instructions of the principal.

Guidance And Counseling:

The aim of counseling cell is to provide comprehensive guidance programs that will equip students with necessary knowledge, attitude and skills to become mature and socially responsible individuals.

The following are the activities conducted under this cell

- Nurturing through the remedial teaching program.
- As far as academic counseling is concerned, students receive assistance on how to study and write the examination to get good marks. Special care is given by subject teachers.
- Mentoring through an individual counseling.
- Provide various comprehensive psychological services to students and resolve their emotional, behavioral, academic, and social issues.
- Providing counseling in the areas of Stress management, time management.

Remedial Classes undertaken

Organized remedial classes for students who didn't perform well in the internal test. The students were also given advice after class hours under remedial classes and were motivated by providing simple and direct learning material.

Examination Committee

Best practices:

Mentoring system Objectives of the Practice

1. To create an informal informative association between mentor and mentee
2. To provide better guidance and support to the students’ needs
3. To provide teachers to build the overall personality of the student, who can contribute to nation building activities.
4. The mentor looks at the attendance and performance of individual student and suitable measures are taken. 5. Parents are intimated about their wards performance and separate parent meetings are held in chronic cases to report.
5. Advance learners/good performers are advised to take up Certificate Courses, projects/internships, while the weak academic performers are instructed to participate in remedial coaching. Students are also encouraged to participate in literary, fine arts, performing arts and sports depending on their interest and talent.
6. Students identified with personal difficulties and low self esteem are guided to the counseling cell/Student Grievance Redressal Cell. Evidence of Success This is an ongoing process for the student in his/her three
7. years (six semester) duration in the college. The outcomes of this process can be evaluated both objectively and subjectively. For most students the academic progression has seen an upward trajectory suggesting better performance with every year.

Environmental Consciousness and Social Responsibility

Promoting environmental awareness is considered a crucial goal in the context of contemporary education. Nature defines both our existence and our relationship with the world at large, then the development of environmental awareness can help change our relationship with Nature, and thus promote a more responsible behavior toward, and even respect for, it. However, fostering the development of that relationship can also promote environmental awareness. Although young students’ direct, “first-hand” experiences in Nature are considered crucial for the development of an emotional bond with it indirect learning experiences should also be considered. Considering these aspects various events were conducted through NCC, YRC and NSS to promote environmental concerns.

1. 30.08.2019 100 student volunteers of YRC, NCC and NSS joined hands to not only carry out cleaning activities, at Maralukunte Village, Nelamangala taluk but also sent out a strong message to one and all wholeheartedly about SWACHH BHARAT CAMPAIGN of the Government of India
2. Between 17.9.2019 to 2.10.2019 Swachhata hi seva was observed in the areas surrounding the college.
3. On 30.10.2019 Jal Samrakshan Abhiyan was organized by NCC Cadets in the nearby localities such as
4. Anchepalya. Rally and Street Play was organized creating awareness regarding the water conservation.
5. From 1.12.2019 to 15.12.2019 NCC Cadets Obsrved Swachhata pakwada at Ulsoor lake on volunteered in Swachhata at park, plogging at Ulsoor lake
6. From 26.12.2019 to 1.1.2020 National Service Scheme Unit conducted 7 Days Annual Camp at Kempalinganahalli, Nelamangala Taluk. Volunteers involved in various community and social service activities at the village cleaned the lake and the village. Also created awareness about Environmental

issues.

7. 18.9.2019 One day Extension Activity on “Mathematics High School Syllabus” was conducted at New 8. Public School, Nelamangala . 10 Final Year B.Sc students taught mathematics to High School Students.
