Do you suggest we do this waiver for the entire duration of their course? Or only for one year?

Sir,

As we discussed, we should be doing this for their entire duration of course till they are studying with us. Infact, thereafter we can give them special scholarships, if they are interested in continuing their studies further.

Warm Regards

Sir,

Please find the attached newspaper cutting which is in line with our recent step of giving voluntary concessions to our students in all our Educational Institutions. While we have given 15% concessions to all our students, we can also think of announcing 100% fee concessions to those who have lost both their parents or the earning parent due to Covid in line with Manipal Academy of Higher Education. If approved in principle, we can make a policy to ensure that this facility is not misused by anyone.

I feel that this will be a good charitable gesture for those who are in need and lost parents, therefore recommended and please consider.

I am sure that you will not agree to advertise this gesture of concession but, we may plan for a small press release to this effect as a part of our reputation building.

Kind Regards
Naveen Mehta

Sir,

Kindly refer to my earlier email and our subsequent discussion. We have checked in our school and college through the Principle and HM about the students who have lost their earning parent and the list is given below :

Sl.no.	Name of the Student	Course	Earning Parent	Annual Fee
1	Sahana N	II PCMB	Lost her Father	24,050
2	Soujanya A	II PCMC	Lost her Father	21,050
3	Chandana S	II Bcom	Lost her Father	26,500

There is no one from the school however, there is a possibility that the moment we make this announcement publicly, few more students might come and ask for such help. However, just

Have discussed this with DS and he opined that these girls are in serious need of help as their father who was the bread earner for the family died due to Covid 19 and therefore, we shall give them a waiver for 100% fee.

Please advise, if we can help these girls with 100% fee waiver.

Warm Regards
