World Environment Day is celebrated every year on the 5th of June and aims at raising awareness and celebrating environmental action.

This year's campaign is celebrated under the theme **#BeatPlasticPollution**. It highlights the need to take concrete action to achieve transformative change to tackle the climate crisis. Be it food packets, toys, storage packing, furniture or electronic items, plastics are so widely used that imagining our lives without them is impossible. It is one of the best substitutes for wood, thus reducing the cutting of trees and helping the environment. On the other hand, sometimes it poses problems too, for example: when it comes to their disposal. Upon usage, artifacts made from plastic sustain wear and tear and become brittle, so it is necessary to dispose of.

Our college 32 NCC cadets involved in environment awareness activity. On 3.6.2023 32 cadets visit Govt High School and Bilanjaneya education institution at Gollahalli near Nelmangala created awareness about bad effects of plastic usage and planted saplings in school premises. The NCC cadets created awareness among the students and public by rally.

Programe outcome: 74 students of Govt High school and 88 PU Students of Bilanjaneya college were benefited. Students learn more about bad effect of Plastic usage. Came to know about the improperly disposed of food bags, when eaten by animals, cause stomach and intestine related diseases which even lead to suffocation and death. Proper disposal and usage of plastic discards can reduce these problems.
