

National Cadet Corps (NCC) Report 2023-24

- Nation First

The National Cadet Corps in India is a voluntary organization which recruits cadets from colleges all over India. The Cadets are given basic military training in small arms and parades. The officers and cadets have no liability for active military service once they complete their course but are given preference over normal candidates during selections based on the achievements in the corps.

NCC has adopted community development activities with the aim of imbibing amongst cadets selfless service to the community, dignity of labor importance of self help, need to protect the environment and to assist weaker sections of the society in their upliftment. This was envisaged through programmes involving the cadets.
