Youth Red Cross (YRC)

ANNUAL REPORT

(2022-23)

Youth Red **Cross** is to inculcate in the youth of our country an awareness on the care of their own health and that of others the understanding and acceptance of civic responsibilities and acting accordingly with humanitarian concern , to fulfill the same to enable the growth and development.

Youth Red Cross is a platform where youth can exhibit their talent, skills, knowledge, ability towards the welfare of the people and Primarily Youth Red Cross focuses on Health, Service & Friendship.

ACTIVITIES CONDUCTED

Orientation programme:

The Youth Red Cross orientation programme was held on October 15th 2022 with an intention to create awareness among the students on various concepts and aspects of Youth Red Cross.YRC programme officer addressed the gathering and expressed her thoughts on service learning and the purpose of YRC and also informed that students can make change by involving themselves in helping the needy, serving the society during disasters without any hesitation and thus can contribute to make safe and healthy society.

Awareness rally on World Aids Day :

The YRC Unit of Jindal College for Women organized a rally on the occasion of the World Aids Day which is celebrated on 1st December every year. The purpose of rally was to spread awareness among the public about HIV/AIDS and demonstrate international solidarity in the face of the pandemic.

A rally was organized from college campus to Chikkabidarakallu. The YRC Volunteers marched out in perfect formation carrying posters, placards and banners. The leading students shouted slogans and the rest repeated after them in unison. The placards stated that the disease was not a problem of an individual, but a problem of society and it could be resolved by fighting together.

General Health Check Up Camp :

The YRC unit organized General Health Check up camp on 26.05.2023 and 27.05.2023. The team of 7 members from MCH including 2 doctors (Dr. Deepa and Dr. Annapurna) and 5 staff nurses were examined a total of 666 students during health check up camp. General examination and vitals were checked. The doctors not only examined the students, also they gave valuable insights on how to maintain a healthy life. This health camp was helped to make the students aware of their health status.
