Rural women are powerful, strong and purposeful women who are deprived by the circumstances of abuse, inequality, and lack of opportunities. These challenges have hindered their personal development, economic empowerment, and community leadership. Hence the College was set up by our Founder with the intention of empowering rural women through value based quality education. As per the vision the students of our college come from rural background and are First Generation Learners.

- The management focuses on the holistic development of the students and hence has left no stone unturned in molding the overall development of the students. The management gives scholarship, fee concession and free medical facility to the students. The college is particular when it comes to safety of girls. The cells such as Women empowerment cell, Grievance redressal cell and the mentors ensure the betterment of the students. The NCC, NSS, Youth Red Cross Unit ensures in developing the civic sense and social responsibility in students.
- Utilizing all these opportunities the girls have proved their ability by scoring excellent results and settling themselves in good positions against the deprivations met by them in our society. The girls have exhibited their ability in all the fields like sports, cultural, Extension activities, competitive exams etc and also have secured good placements etc.
- We would proudly acknowledge the fact that our rural students give a tough competition with the urban students in all the fields and excel themselves in the society.
